Polisi Gweithio ar eich pen eich hun

Lone Working Policy

Diffinnir gweithio ar eich pen eich hun gan y Gweithgor Iechyd a Diogelwch fel “unrhyw un sydd yn gweithio ar ben ei hun, heb unrhyw arolygaeth agos na uniongyrchol”. Dyma rhai enghreifftiau o sefyllfaoedd o weithio ar eich pen eich hun sydd yn berthnasol i **Gylch Meithrin Meini Bach**:

- pan fydd aelod o staff yn gweithio gyda grŵp o blant.
- pan fydd aelod o staff mewn sefyllfa 1-1 gyda rhiant/gofalwr, gweithwyr asiantaethau eraill.

Polisi Gweithio ar eich pen eich hun

Lone Working Policy

Lone working is defined by the Health and Safety Executive as “someone who works by themselves, without close or direct supervision”. Here are some examples of lone working situations which are relevant to **Cylch Meithrin Meini Bach**:

- when a member of staff is working with a group of children.
- when a member of staff is in a 1-1 situation with a parent/carer, staff from other agencies.
- when a member of staff is working alone at the setting outside of normal working hours.
- when a member of staff is working 1-1 with a child.

Aim

The Cylch Meithrin recognises that there may be an increased risk for staff who work alone. Therefore, the Cylch Meithrin aims to avoid, where reasonably practicable, any situation where a member of staff is working on their own. However, the Cylch Meithrin recognises that lone working is unavoidable in some situations. The Cylch Meithrin recognises the importance of ensuring the safety of staff who are working on their own.

Code of Practice

The Cylch Meithrin is:

- committed to avoid, where reasonably practicable, situations where a member of staff is working alone.

In situations where it is impossible for staff to avoid working alone, the Cylch Meithrin will:

- ensure that a clear procedure is in place to ensure the safety of any member of staff who is working alone.
- ensure that no member of staff works 1-1 with a child in a secluded area, where reasonably practicable.
- ensure that staff working in a different area with a group of children are within sight/hearing of other staff members, or that they have access to a phone or mobile phone whilst working alone.
- ensure that members of staff who work alone outside of the setting (e.g. 1 member of staff walking 2 children to / from school) have access to a mobile phone.
- ensure that an appropriate risk assessment has been carried out for situations where a member of staff is expected to work alone outside of the setting.

Cylch Meithrin Meini Bach

Polisi Gweithio ar eich pen eich hun

Lone Working Policy

- ensure that a clear procedure is in place for times when a member of staff meets with a parent/carer/guardian, staff from other agencies in a private area/room to share confidential and/or sensitive information.
- ensure that staff have access to a phone or mobile phone when working alone outside of normal working hours.
- ask staff to inform **a member of the Committee / another member of staff / a member of family** that they are coming to the workplace outside of its opening hours, how long they expect to be there, and when they expect to leave.
- expect staff to take steps to ensure their own personal safety if they are working alone, e.g. locking outside doors, not working at height, parking their car under a light.
- conduct regular risk assessments (e.g. annually) to ensure that the arrangements for safeguarding staff and children are operational, adequate and appropriate.
- ensure that a member of staff / committee member who attends the setting following a fire / intrusion alarm waits for a member of the Police / Fire Brigade. The perimeter of the Building must be checked before entering the building, and if there are any signs that an intruder has gained access to the building, then the member of staff / committee member must wait for Police support before entering the building.
- ensure that a clear procedure is in place where staff are expected to attend the setting in the event of fire / intrusion alarm. Any building specific (e.g. school, family centre) guidelines and procedures must be followed.
- ensure that the Cylch Meithrin Insurance policy includes employer's liability Insurance for lone workers.

Some examples of how to ensure personal safety

This list contains examples only, and shouldn't be considered to be exhaustive.

- Ensure that evening meeting finish on time.
- Never leave a member of staff alone to lock the building following any evening meeting or activity.
- Park your car under a light.
- Park the car so it is as easy as possible to leave.
- Don't lift heavy items alone.
- Lock external doors.
- Ensure that you know who will be at home during a visit.
- Make sure that your mobile phone is fully charged.
- Operate a 'buddy' system for staff who carry out home visits.
